

RNID's vision is of a world where deafness and hearing loss are not barriers to opportunity and fulfilment.

RNID is the largest charity representing the 9 million deaf and hard of hearing people in the UK. As a membership charity, we aim to achieve a radically better quality of life for deaf and hard of hearing people. We do this by campaigning and lobbying vigorously, by raising awareness of deafness and hearing loss, by providing services and through social, medical and technical research.

If you want to find your nearest British Sign Language class, contact the RNID Information Line.

We have a wide range of information on deafness and hearing loss.
