- Be Accountable
- Demonstrate Integrity
- Be Ethical
- Be Respectful
- Be Impartial

Enablers

- Our people
- Leadership and Management: Governance, decision making and continuous improvement.
- Financial Resilience
- Corporate Social Responsibility
- Digital and Information Communications Technologies Strategy
- Partnerships and Collaboration

Improvement and Well-being Objectives

- We will improve our organisational culture to ensure we operate within the standards expected of a modern-day Fire and Rescue Service.
- We will remain committed to making improvements to our On-Call Duty system to support the needs of our communities.
- We will review the risks within our communities and to our people.
- We will use an evidence-based approach to review and implement changes to the way in which we respond to emergencies to meet the changing demands of our community.
- We will regularly review our Prevention (Community Safety) and Protection (Business Fire Safety) strategies to target and support the most vulnerable in our communities.
- We will engage and consult with our communities to understand their expectations of us.
- We will work in an environmentally friendly and sustainable way.
- We will evolve our fleet and equipment requirements so we can effectively respond to emergencies.
